

Cheyyan User Experience Testing and Feedback

Hello and welcome! Thank you for participating in our survey today. My name is Sharon, and I am excited to guide you through this experience. The general aim of this experiment is to gather valuable insights into the gamification of time management in mobile apps.

Involvement of Participants:

Your involvement is crucial because we value your unique perspectives and experiences. By participating, you contribute to the development of a mobile app designed to enhance time management skills.

Experiment Overview:

During this survey, you will be asked to share your thoughts and opinions on various aspects of a mobile app that incorporates gamification elements for time management.

Data Collection:

We will be collecting data through your responses to the survey questions. Your input will help us understand the effectiveness of gamification in promoting better time management.

Participant Interaction:

Your interaction will primarily involve answering survey questions. There won't be any specific tasks or tests of ability. Feel free to express your opinions openly; there are no right or wrong answers.

Withdrawal Option:

It's essential to know that you have the right to withdraw at any time during the survey. Your participation is entirely voluntary, and your decision to withdraw will not have any impact on you.

Consent:

Before we proceed, I want to emphasize that your participation is entirely voluntary. Filling out the Survey expresses you have given full consent

Opportunity for Questions:

If you have any questions or concerns at any point, please don't hesitate to ask. Your

understanding and comfort are our priorities.

Thank you once again for your participation. Your insights are invaluable, and we appreciate your time and contribution. Let's get started!
